Adelaide Oval is located 400 metres from the CBD and just a few minutes' walk from public transport (bus, train, and tram).

You will need to go through the **South Gate** at Adelaide Oval. This gate is best accessed from the corner of War Memorial Drive and King William Road. We will be on Level 3.

If you are getting dropped off, it is best to be dropped off on War Memorial Drive. There is a drop off zone here. We will have some of our conference volunteers there to show you where to go.

If you are driving, they have 2 car parks – Wilson Car Park East (Entry via King William Road) and Wilson Car Park North (Entry via Pennington Terrace). **Wilson Car Park East** is closer to the South Gate.

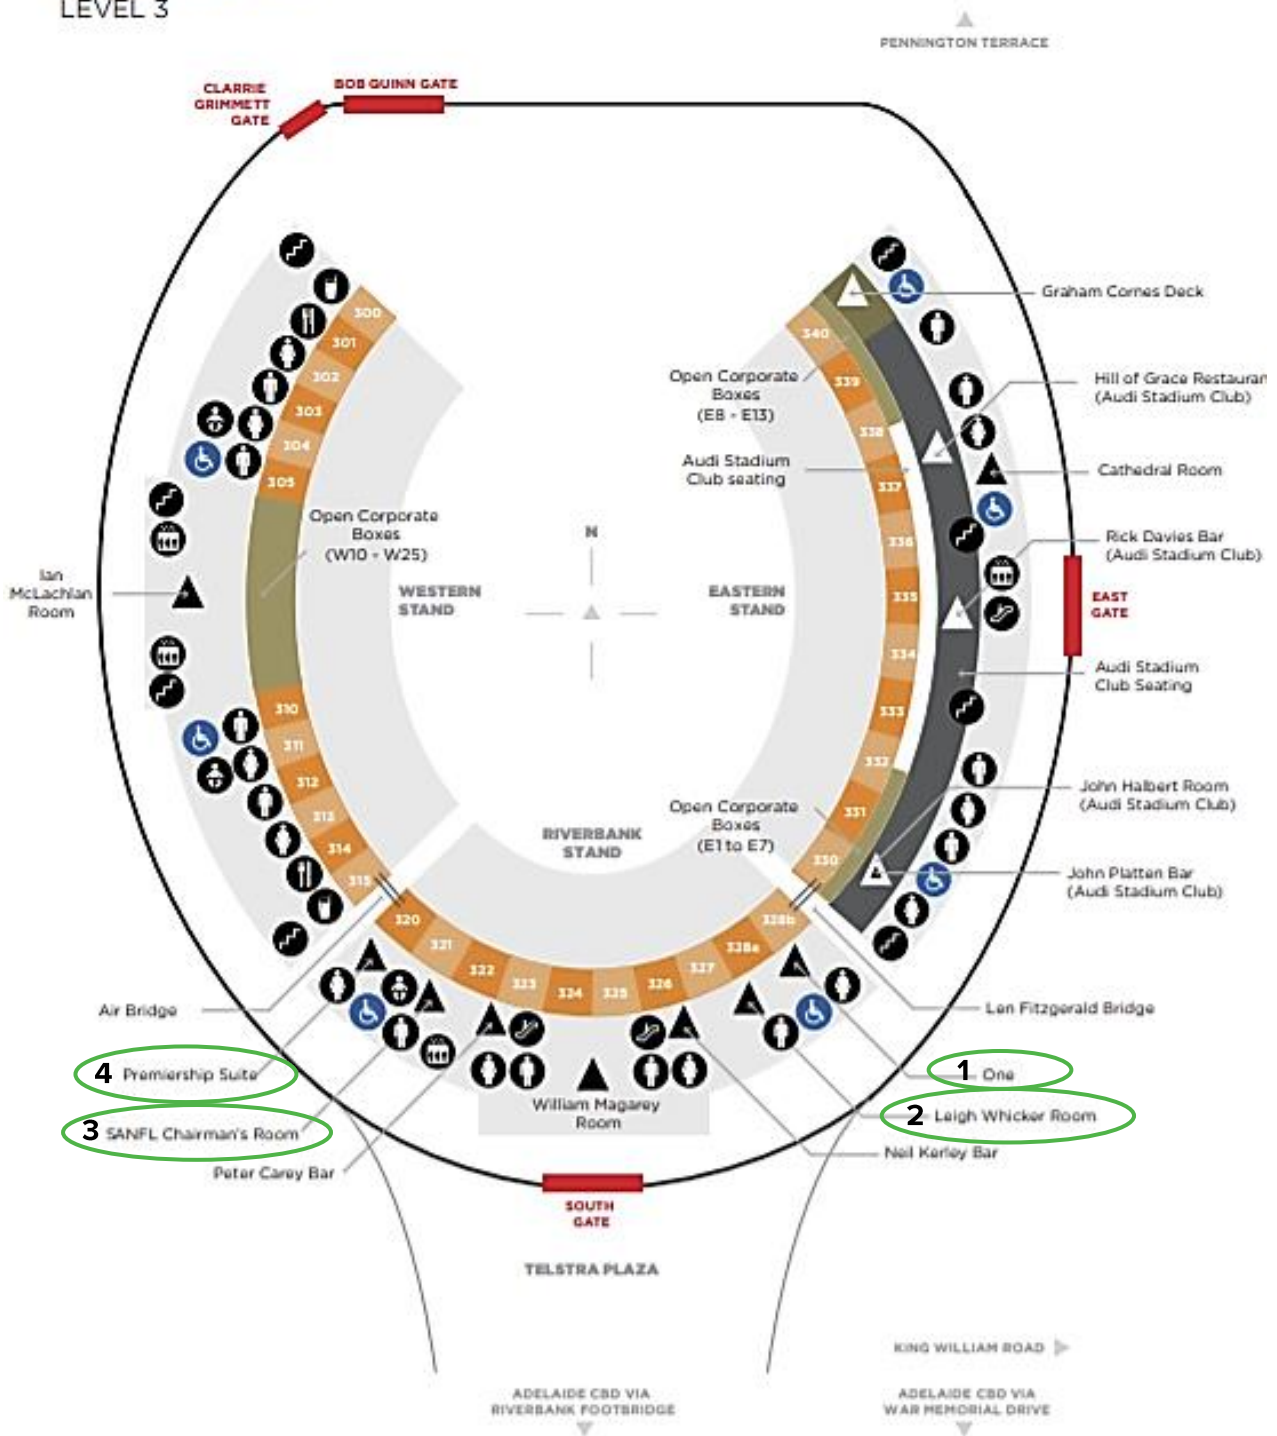

There is also some ticketed street parking available nearby.

If you are catching public transport, you can look up the bus, train and tram timetables on the Adelaide Metro Website [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)

# Where will the conference be in Adelaide Oval?

We will be on Level 3. We will be using 4 different rooms. A different workshop, presentation or come and try session will be on in each room. You will be able to see this on the program and choose which one you would like to go to for each session.
