

**Free
Workshop**

Online Safety

This workshop helps you to learn skills to look after yourself when using the internet and social media, and when using technology such as phones and computers.

SACID's Online Safety workshop is free for people with intellectual disability.

This workshop covers many important topics including:

- Dangers and risk of technology and using the internet
- Different types of scams and how to avoid them
- How to be technology safe
- How to report scams and online abuse
- Supports and networks to help you

Funded by the Australian Government Department of Social Services – ILC Grants.
